Made to the highest standards for our most demanding corporate customers, the AFE clothing range combines quality and style, with a practical functionality borne of years of "in-service" experience. We do not use seconds or offcut materials, and do not sell "end of line" garments, all AFE clothing is "first-quality" manufacture and materials.

AFE Aircrew Jacket

The UK's favourite flying jacket was originally designed and produced for the requirements of one of the UK's largest professional flying training schools, and the design is still preferred by many PPL and professional training schools today. Over the years we have made various improvements which keep our design well-ahead of the competition, the latest version features:

- High-tech Thinsulate™ interlining material for warmth without bulk
- Made in navy blue showerproof "peached" cotton for smart appearance and quality feel
- Zipped internal pockets for extra security
- Hidden rear pocket for hi-viz vest
- Epaulettes with Velcro fastening
- Zipped multipurpose sleeve pocket with pen holders
- 2 open external pockets
- Short cut collar
- Elasticated waistband and cuffs
- Machine washable

Our customers just keep coming back for more, we can't think of a better recommendation than that!

Available in sizes S, M, L, XL, XXL and XXXL

Clothing & Accessories

Beany Hat

An essential part of any glider pilot's kit, the good old beany hat protects the wearer from the effects of the sun in the "greenhouse effect" of a glider cockpit but will work just as well in any aircraft with a bubble canopy. Also useful when gardening, cleaning the car, watching cricket, walking the dog...

Available in standard and deluxe (lined) styles

BEANYLINED (+ size) **£5.50 H**

BEANYUNLINED (+ size) **£4.30 H**

High-Visibility Vest

Essential for airside access at most airfields these days, and a sensible precaution even where not mandatory. Don't get caught out (or run over) with the AFE hi-viz vest. In yellow dayglo material and reflective strips to EN-571 specification, the AFE hi-viz vest meets current CAA requirements. Generously sized to fit over even bulky outdoor clothing, the AFE hi-viz vest folds down neatly into the AFE aircrew jacket's purpose-designed pocket. Also available with "AIRCREW" overprint on the back.

The Original RAF Irvin Flying Jacket

Only one company has the right to make and sell a jacket and call it the Irvin. A truly authentic reproduction of the original design, including the authentic IRVIN label -accept no substitutes!

Made from top-quality heavyweight sheepskin in brown matt finish with long honey-coloured wool lining and brown cowhide bindings. Perfect for open cockpit aircraft, open-top sports cars, motorcycles, or just for looking cool while staying warm! Overlock stitched seams in brown cowhide, heavy duty brass fittings and buckles, the Irvin is synonymous with quality and will take the knocks and come back looking even better. This jacket will just get better and better the more you wear it and what's more, you can pass it down to your descendants! The original Irvin did not have pockets, but modern versions are normally supplied with 2 side-entry pockets. Authentic versions without pockets can be supplied on request.

Sizes 36 - 52, available to-order with regular or long fit.
